## Team Focus

We would like to introduce our Reception and Accounts Payable Manager Jackie Rawlins.

Originally from Norwich in England, Jackie has now called Perth home for 15 years.

Since Jackie started here at Thorntons in 2017, she has gone above and beyond in her duties as a receptionist. With a friendly and kind attitude, each day she ensures every single client and visitor is welcomed and looked after. From the time they arrive, to the moment they leave, a client's comfort is of the utmost importance.

Jackie is the beating heart of our office, making sure the supplies are always filled, running daily errands and keeping us on our toes when we have birthdays, anniversaries and special dates to remember and celebrate.

We must admit that sometimes these things slip our mind when we are working hard, so having Jackie to remind us is great for the team.

Out of the office, Jackie and her husband Mike are passionate Wildcats and Perth Glory supporters! You won't ever miss them at a home game cheering on their team.

At home, although her three kids Charlie, Chris and Zoe are grown up and have left the nest, her fur baby Lily keeps her on her toes.
