Team Focus

We would love to welcome our Marketing Manager and Team Administrator Paul John.

Paul is a country boy growing up on his family's farms in Jurien and Busselton.

Since Paul started with us in January he has brought in some lovely treats for us to sample, from focaccia bread to lemon meringue cheesecake. We cannot wait to try his next creation!

Paul is the go-to man when it comes to posting on social media, creating graphics, editing photos and videos and most importantly getting your work processed for the job to start.

Out of the office, Paul loves cooking and baking and trying new restaurants/cafes with friends. If he's not obsessing over food, he'll be watching the latest movies or television series.
