Team Focus

This month we're delighted to introduce Minal Patel, one of our new Team Administrators.

Minal is a country girl who grew up in Nyeri, a small town in Kenya. If asked what she misses about home, Minal will tell you she misses waking up to the wonderful melodies of birds outside her window and the crisp fresh air.

Minal has been a great addition to our team, offering assistance to both fellow team members and clients, with a quiet smile.

When not a work, Minal enjoys going to the local beaches. She also enjoys exploring new Vegan/Vegetarian restaurants and going on 4WD excursions to capture the sunrise or sunset.
