Team Focus

We'd like to introduce you to one of our hard-working accountants Sang, who joined the team at Thorntons in December 2021.

Sang graduated from Curtin University in 2016 and since then has been enjoying helping business owners with their compliance and tax matters.

Until recently, Sang was based in the beautiful coastal city of Bunbury where he enjoyed fishing, hiking and swimming.

Sang and his wife Cindy welcomed their daughter Chloe in late March, and when not at work he loves spending time with them both.
