Why bookkeeping is essential for your small business

A bookkeeper deals with the organisation, the recording and the reporting of financial transactions of a small business.

But most importantly, a bookkeeper clears the way for the accountant to work with your business strategically.

Click on 'find out more' to see how a bookkeeper will help you!

Team Focus

We would like to introduce the newest member of our team, Jennifer Pang. Jenn, as she is known in the office, joined us in December 2021 as part of our experienced accounting team.

After graduating from Murdoch University in 2001, Jenn started her career in an accounting firm in West Perth. With her many years of experience in accounting, business services and tax, she is a valuable addition to our team

When not hard at work, Jenn loves to spend time with her husband and 3 young children. She enjoys driving the kids to their various sporting activities in her people-mover, but jokes that some days she feels like a chauffeur!

After a day's work Jen likes to wind down by walking in her local neighbourhood with her husband.
